The focus of the class will be DEBT FREE LIVING. Thinking of ourselves as God's investment partners rather than people in need, we will assess the effectiveness of our life not in what we own and possess, but in the stewardship of what we've been given. The class will be based on scripture and will offer practical tips in getting out of debt. The outline of the series includes:

- October 14th – What the Bible Says About Debt;
- October 21 – Types of Debt and Debt-making Decisions;
- October 28 – How to Get Out of Debt.

Take advantage of the financial background and CPA experience of Brendan and Jennifer and transform your life to debt free living!

Using Your Spiritual Gifts and Talents
 Led by Rev. Richard Higgins & Lisa Smith

October 14th: Here is your chance to discover your number if you missed the Enneagram workshops that were previously offered this past summer. This is a spiritually based personality inventory. Rev. Richard Higgins will be offering this class. Prior to the workshop, you will need to pick up an Enneagram questionnaire in the church office. There will be directions that explain how you are to answer the questions and score the instrument. It will be necessary to have this completed before the class.

October 21st and 28th: Discover your spiritual gifts and learn how to use them. A questionnaire will be used to determine your personal spiritual gifts. We will also spend some time discussing how to use your gifts and talents in your life. Lisa Smith will lead this class. Please pick up your questionnaire in the church office prior to the start of class. If you have any questions, please see Lisa Smith.
