# Scripture Lesson

## 1 John 3:1-3

3:1 See what love the Father has given us, that we should be called children of God; and that is what we are. The reason the world does not know us is that it did not know him.

3:2 Beloved, we are God's children now; what we will be has not yet been revealed. What we do know is this: when he is revealed, we will be like him, for we will see him as he is.

3:3 And all who have this hope in him purify themselves, just as he is pure.

# All Saints' Day Prayer: Set in the Company of Saints

You are our God and we are Your people,  
and we are grateful that You have claimed us as your own.

You have set us in the company of saints past and present,  
among those who have made bold witness  
to Your goodness and Your truth.

You know the places in our hearts  
where we are afraid

- afraid of a future we cannot control;
- afraid of losing health and independence
- afraid for the well-being of our children
- afraid that past mistakes will ruin our future

Write the stories of your people deep into our hearts  
so that we may learn to trust you beyond our fears.

Give us hearts and minds and spirits  
ready to trust and follow wherever your Spirit leads,  
confident that you will not lead us  
beyond your loving embrace.

We ask in Jesus' name  
whose outstretched arms welcome us

and hold us securely in your grace. ~ written by Christine Jerrett, <https://christinejerrett.wordpress.com/>

# Adult and Youth Study

The created world has a purpose and our life has meaning

We were made to know, love, and serve God in this world. Everything that we do should point to one of those goals- know God, love God, serve God. Technology is a thing- Things are meant to be used, and people are meant to be loved, never the other way around

Our goal is to use technology for the purpose of knowing, loving, and serving God by finding the good in every situation and choosing to do it

Reflection Journal: (write about your own answers)

How can we know God better using technology?

research, study, videos, forums, resources  
reliable sources- seeking truth- verify when you have questions

How can we love God using technology?

love His people- be polite, kind, and honest  
stand up for Christ  
represent your faith

How can we serve God using technology?

share your faith- Great Commission  
defend the faith- evangelize  
support the work of Christians around the world

# Message ~ Our Legacy

One day we will all be saints of Holy Trinity United Methodist church. Think about the legacy of your life. Are you proud of the person that you are? How you spoke to that person yesterday? How you held your tongue when someone gossiped about you. Every day it's a work in progress. And luckily we have the best teacher and role model in God and Jesus.

The message of All Saints Day is the reminder of how we should live.

On the Feast of All Saints, Nov 1, 2013, at Vatican City, Pope Francis highlighted this sacred duty:

The Saints are not super human, nor were they born perfect. They are like us, like each one of us. They are people who, before reaching the glory of heaven, lived normal lives with joys and sorrows, struggles and hopes. What changed their lives? When they recognized God's love, they followed it with all their heart without reserve or hypocrisy. They spent their lives serving others, they endured suffering and adversity without hatred and responded to evil with good, spreading joy and peace.

In our church I hear the stories of those who have gone before us and the work they have done while here at Holy Trinity. When I walk the halls alone after everyone is gone for the day, I think of those folks and their memories remain of all the good work they have done and the lives they have touched. So today thoughtfully think of those saints that have moved on and think of ways that you can follow in their paths of bringing light to others and to the world.

Benediction, Blessing, Commission:

Now, dear friends, go from this place in confidence that the God of Creation is with you.

Go boldly into the world, offering peace, hope and healing love, in the name of Jesus Christ.

And may the God of love, hope and peace be with you always. AMEN.
