

Christian Education Program

Study Opportunities for

Children and Youth

We are excited for a new year at Holy Trinity!! Our curriculum is United Methodist approved and designed to meet the needs of each individual child. Here's a brief description of what the children will be learning in their classes for the fall.

Little Lambs

Teacher-Mrs. Ruthann Hatt

The pre-school children will be using the curriculum Deep Blue. Children learn in a variety of ways This curriculum engages young hearts and minds with age appropriate multisensory activities, crafts, stories, and games, all designed to give children an opportunity to know God through Jesus and experience life changing transformation.

Seedlings

Nursery Care is provided on Sundays during worship and study hour. This **Seedling Class** is taught by Miss Jodi.

Spiritual Sidekicks

Teacher- Mrs. Lisa Higgins-Smith

The 6, 7, and 8th, grade class will be using the curriculum *Faith in Motion*, which will help this age group apply biblical truths to everyday life.

They will explore relevant life issues such as peer pressure, and important faith issues like, what does it mean to be a Christian?

Senior Seekers

Teachers: Mr. Tom Landry

The High School (9-12th) class will be using the curriculum Attitude. The goal of this resource is to strengthen the member's spiritual relationship with God and Jesus Christ. The class will explore vital spiritual and real life issues in a way that engages their hearts, answers their questions, and changes their lives forever.

This curriculum will help them to apply the teachings of Christ to their own everyday lives in an environment where youth want to learn about God's word and feel invited to learn in a way that allows them to be honest with themselves, with each other, and with God.

Kidz Club

Teacher-Mrs. Ashley Al-Nabulsi

The Kindergarten and First grade will also be using the Deep Blue Curriculum. This curriculum incorporates Bible stories, activities, crafts, videos, and games into a full faith experience for children. They will develop the skills to unlock the Bible message and grow their faith by leaps and bounds. Colorful, engaging, theologically sound materials invite children to explore the Bible in fun, age-appropriate ways, capturing their attention and ensuring that God's message is taken to heart. Children will discover that their faith can grow right along with them!

All Stars for Jesus

Teacher: Mrs. JoAnn Pydynkowski

The second and third grade will be using the bible zone curriculum. Bible Zone is an exciting, fun-filled, and innovative curriculum where children have fun, come to know the Bible as their book, immerse themselves in the Bible, and develop a love for and relationship with the Bible.

At the end of the year they will know where the Old Testament and New Testament are and what they mean. They will learn how to look up scriptures and be able to look up their favorite bible stories in their own bible. They will also learn about the sacraments of Baptism and Communion and celebrate the end of the second year with their first communion experience during worship.
