A WORD FOR OUR PASTOR.....

“Let the little children come to me...” – Matthew 19:14

Dear Beloved Church Family,

Grace and peace to you in the love of God, who invites each of us into a life of renewal in this beautiful season of spring.

This May, Holy Trinity is celebrating Children’s Month—a time to lift up the youngest among us and honor their presence in our worship, our ministries, and our congregational life. Since my appointment last summer, I have been deeply moved by how warmly our church continues to embrace and nurture the next generation with open hearts and hope.

Each Sunday this month will offer a special opportunity to celebrate our children and youth:

- On the first Sunday, our children will serve as communion stewards, taking their place in worship leadership. What a joy it will be to witness their hands offer the bread and cup of Christ! After service, we’ll gather for a Pizza Brunch, sharing food and fellowship across generations.
- On the second Sunday, we will celebrate Confirmation. We are blessed with seven confirmands this year. Let us surround them with prayers and encouragement as they take this important step in their faith journey.
- On the third Sunday, we will rejoice in Children’s Sunday, where our worship will center around the voices, gifts, and faith of our children. May their joy and liveliness remind us of the wonder of God’s kin-dom.

As we honor our young people this month, may we be reminded that every child is not only the church of tomorrow, but a vital part of the church today. May we listen to them, learn from them, and walk with them—as fellow disciples of Christ.

With hope for today and tomorrow,

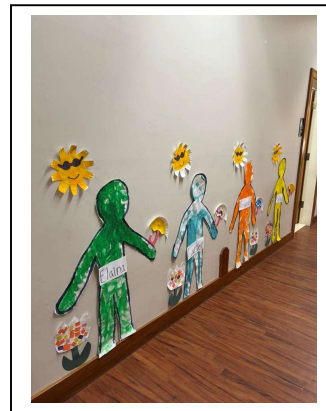

Pastor Shin

JACK & JILL PRESCHOOL

We finished up the month of April with our annual art show. We had the most amazing night with all the families showing up to walk through and see the beautiful, creative, and artistic creations that the children made. We even had some alumni come to share hugs with their old teachers. Many of them spoke about how much they miss coming here.

May is such an amazing time of year to be here in Danvers. How lucky are we to be surrounded by the beauty of Holy Trinity Church? We have thoroughly enjoyed watching the trees turn green and bloom with the beautiful colors of flowers outside our windows. The children learned how to make observations and discuss them with each other. They drew pictures reflecting their beauty and learned about how things grow and how seasons change.

It reminds me, as we approach the end of the year, how much the children have grown and changed. The children often start their journey in the two-day program, where they are introduced to making friends and learning through play. They continue their journey throughout the years of learning how to share, be patient, care for each other, and take care of their environment. They begin to work on many skills that will assist them for years to come. In each classroom, these skills continue to develop and strengthen with the guidance of the teachers. As some children graduate from the preschool program, we know they have made lasting friendships and memories that will last for a lifetime! The children at Jack and Jill are not only good students, but they are good people.

Looking for people to provide snacks, set up, and/or clean up for Sunday morning's coffee hour.

One can sign up to set up, provide a snack (home baked or not), and/or cleanup. Even if you can just do one part of this, it will be very helpful, as many hands make light work.

Set up sounds scary but it is easily done, especially after you have done it once. We are anxious to teach you.
